Présentation de l'éditeur

Albania's unspoilt mountain scenery, cultural sites and beaches mean it is becoming increasingly popular with a growing number of curious travellers. This affectionate guide to Albania covers the length and breadth of the country, discovering remote villages and out-of-the-way towns such as Peshkopia and Erseka. Visitors will find detailed information on wildlife, national parks, hiking routes, and beaches and the latest updates in a country where changes happen every 5 minutes. For those interested in the culture and history, there is more on the main archaeological sites at Butrint and Byllis and Byzantine art, together with biographical vignettes of individuals who have figured in the country's history. Biographie de l'auteur

Gillian Gloyer first attempted - wholly unsuccessfully - to visit Albania in 1981. She finally made it in 1998 and spent most of the next four years living and working there. She travelled the length and breadth of the country for both business and pleasure; she continues to visit the country regularly and retains good contacts there. She speaks the language well and translated the extracts from Albanian authors which feature in the guidebook. She is a keen hill walker and amateur archaeologist.
