Welcome to Morrissey's Manchester, Your complete guide to ensuring that your visit to the home of 'The Smiths' is a truly unforgettable experience.

Why have I produced this guide? The simple answer is that there is a need for a publication devoted exclusively to the places that influenced the life and lyrics of The Smiths and Morrissey.

Having said that, there are a few websites that contain a fair deal of information relating to the same subject, but in most cases they have been

produced by fans who openly admit to never having set foot in the city. Whilst not a crime the information contained is somewhat limited, lacks a local flavour and the accurate details required to get to and from each place of interest.

Fans of The Smiths and Morrissey are obsessive about every detail regarding their heroes. So whilst some local guide books briefly mention places of musical interest concerning Manchester music in general; devotees of Morrissey expect and demand more. If you are to pay only one visit to Manchester in your lifetime, then you will want to see it all and this guide offers just that. From the Back Cover
